### **Warranty**

This Document is made by and between Sunrise Solartech., LTD (Part A) and Solar Distri B.V(Part B) whereby Part B agrees to buy or distribute Goods from Part A according to the terms and conditions stipulated hereunder:

1. For the standard solar module types ordered by Part B, Part A shall WARRANTY its Photovoltaic Solar Modules (MODULES)'s performance starting from the date of sale (SALES DATE) to the first customer installing (for their own use) the MODULES (CUSTOMER) or starting at the latest 12 months after module dispatch from the factory or Euro warehouse, whichever occurs earlier, (the WARRANTY START DATE)

- Regarding PI No. EU-ESZ190130

2. Price and Quantity

- Details of Price and quantity should be discussed friendly each time between Part A and Part B

3. Packaging Requirement

- - All goods shall be packed in a way which prevents damages from dampness, rust, moisture, erosion and shock. Packaging shall be adequate for ocean transport.

4. Warranty/Inspection/Claim

4.1 Warranty

-Part A warrants that all goods delivered comply with each order specification with Part B in respect of quality, quantity, specification and packaging

4.2 Warranty Period

-for power performance of more than 95% of nominal power: 10 years

-for power performance of more than 85% of nominal power: 25 years

- for product warranty, free from defects in material & workmanship: 12 years

The above warranty period all begin from the date when the goods leave the factory, detailed provisions subject to warranty for solar modules.

4.3 Inspection

-Within 30 days after arrival of the goods at the port of destination, Part B shall conduct a preliminary inspection of the goods in respect of quality, specification

Address: No.20 Tongzi River West Road,Zhonglou Development Zone,Changzhou  
213023 Jiangsu,P.R China

and quantity. Part B shall make claim within this period.

#### 4.4 Claims

- Any claims resulting from visual inspection of cargo in which it is determined the cargo has arrived in irregular cargo conditions or upon opening and/or discharging the container the internal container and cargo conditional are irregular, Part B must notify Part A before the cargo is discharged from the container. Also, the insurance company should be notified by Part A, pictures should be taken depicting the irregularity and the container number, product order number, bill of lading number, and product lot number should all be recorded. Part B should cease discharging the container until Part A notifies them in writing that product discharge can continue. If part B does not follow this procedure, Part A or the insurance company may not honor a claim. Within 30 days after the arrival of the goods at destination, should the specification or quality be found not in conformity with the stipulations of the Contract except those claims for which the insurance company or the Carriers are liable, Part B shall, on the strength of the Inspection Certificate issued by China Commodity Inspection Bureau, have the right to claim for replacement with goods or for compensation. And all the expenses (such as insurance premium, storage and loading and unloading charges etc.) shall be borne by Part A. The certificate so issued shall be accepted as the base of a claim. Part A, in accordance with part B's claim shall be responsible for the immediate elimination of the defect(s), if part A fail to answer Part B within one month after receipt of the aforesaid claim, the claim shall be reckoned as having accepted by Part A.

#### 5. Force Majeure

- - Part A shall not be held responsible for failure or delay in delivery of the entire lot or parts of the goods under this Contract due to any Force Majeure such as fire, flood, typhoon, earthquake, strike and other unforeseeable and unavoidable events.

#### 6. Arbitration

-Any dispute arising from or in connection with this document shall be settled through friendly negotiation. In case of no result, the dispute shall be then submitted to Shanghai International Arbitration Center in accordance with its rules in effect at the time of applying for arbitration. The arbitral award shall be final and binding upon both parties.
